

February 21, 2020

Dear Patients:

I am writing to announce my relocation from the Cizik Eye Clinic to the Eye Center of Texas, effective April 1, 2020. I have truly enjoyed working with you to manage your ocular health care needs.

The group of talented physicians at the Cizik Eye Clinic are ready to assume your eye care. Should you choose to continue being seen at the Cizik Eye Clinic, please call to schedule your next appointment with either Dr. Robert Feldman or Dr. David Lee, both of whom are highly-regarded glaucoma specialists. If you already have an upcoming appointment scheduled with me for after April 1, 2020, you will be contacted to reschedule to see one of them.

If you wish to continue your care with me, I would be happy to see you at my new practice. The Eye Center of Texas has 6 offices across the greater Houston area, and I will see patients at most of the locations. The telephone number to schedule an appointment with me is 713-797-1010. If you currently are scheduled to see me at the Cizik Eye Clinic and you wish to follow me to the Eye Center of Texas, the staff at Cizik would greatly appreciate if you could call to cancel your existing appointment.

To have a copy of your medical record (including examination notes, operative/procedure reports, and copies of tests such as visual fields, OCTs, and photographs) sent to the Eye Center of Texas, please complete the enclosed authorization form and sign the bottom of the second page. You can mail the form to the Eye Center of Texas at 6565 West Loop South, Suite 650, Bellaire, TX 77401, or fax it to 713-357-7277. Please submit the release form as early as possible to allow adequate time for your record request to be processed.

Sincerely,

Nicholas P. Bell, MD

A handwritten signature in black ink, appearing to read "NPB", is written over the printed name "Nicholas P. Bell, MD".
